Deacon of the Month

By Bill Hoke

I was ordained as a deacon at First Baptist Church in 2006. I was born in upstate New York and lived there until I went in the Air Force in 1960. After getting out of the service, I went to work for the Department of Defense for 32 years which took me to several locations (Detroit, St. Louis, Battle Creek and Washington, DC).

The best move was to Washington, DC where I met my wife, Lynda. I was a Catholic when we got married but started going to a Baptist Church in Laurel, Maryland where I was saved at a revival in 1990. I was baptized at Laurel Baptist Church.

We have four children, eleven grandchildren and one due in August. I retired in 1994 and since we both liked the beach, we decided on Myrtle Beach for retirement.

I enjoy sports, traveling and mission trips. I look forward to serving God by spreading His word in a way that will bring lost souls to Christ, help with our Building Program, promote church family unity, and help out those less fortunate.

From Ann Fahrenkrog

I would like to thank everyone for their prayers, cards, phone calls and food while I was recuperating from my knee surgery. God bless each of you..

From Deelane Reavis

Thank you for the many prayers, cards and acts of kindness during my Mom's long illness and passing. She really enjoyed coming to First Baptist Church with us when she could. David and I feel truly blessed to be a part of such a loving church family. In Christ, Deelane Reavis

From Recent Visitors, Kevin and Lori Glascock

We enjoyed the services and hospitality of your members! We always feel welcome and lifted when we leave. Thank you and bless you.

Pastor's Pen

The deacons recommended to the church a **Steering Committee** to look, think, talk, pray, study, survey, discuss etc. the future of First Baptist Church. Since the 11:00 o'clock worship service is continuously crowded and has been for years, this committee is using the book, How to Start a New Service by Charles Arn. Mark Powers from the South Carolina Baptist Convention has met with us several times and is assisting us in this process. This representative group from our church has met many times, has received a demographic/census study of our area, visited other churches in our community, prayed much and is now preparing a survey for our church membership and for families who have children in the CDC and families who have been involved in Upward Basketball.

One of the guiding principles of this committee is how to reach more people in our community who are not currently attending or involved in any church. Statistics over the years say that over 70% of the people living in our communities are un-churched. That is a staggering amount of people!!! Think about your neighbors, work associates, friends and others you know; how many of them are actively involved in any church?

We cannot be satisfied with maintaining the Status-Quo as a Christian or as a Church. **The Great Commission** is still valid for us today. Through our prayers, giving, going and telling we must obey God's call to be involved in missions from our home to the ends of the earth.

Please pray for this Steering Committee as they seek God's will for the future of First Baptist Church of North Myrtle Beach. They will inform and update the deacons and church regularly with their progress.

Yours for God's future,
John Gambrell

A Note from Kathleen

By Kathleen Gambrell

Summer is a planning time for church musicians. With a new church year starting in September, this is the time to make plans for children's classes, look at Christmas cantatas (a tough feat when the weather is so hot!), and peruse new music for all the choirs. So this month, I would like to ask for prayer for every aspect of our music program and I would like to give you some specifics to pray for.

#1: Pray that we follow God's guidance in everything we do, and everything we choose. (We do not want to run ahead of God and plan what we think best. On the flip side, we don't want to drag behind, worrying more about what others think than about what God thinks. That can be crippling!)

#2: Pray by name for all the leaders involved in the music program. (It is crucial that God be preeminent in every aspect of our lives, so that we stay close and true to our heavenly Father.)

#3: Pray that God would send our way those who need to be helping us. (We need volunteers to assist in different areas, join a choir, or let us know they can sing/play an instrument/do drama, etc. Music is not a spectator sport!)

#4: Pray for those who already are in the music program, from the children on up to the adults. (Pray that their hearts will always be pure so that God can use them mightily for His purposes. Pray for parents, that they might find the time to bring their children to music. Pray for the adults, that they might stay healthy.)

#5: Pray for the hearers-- those who listen week after week. (Pray that God will use our music to strengthen and encourage the saints, and lead the lost to the Lord. Pray for receptive, not critical hearts so that God's word and his work might not be hindered.)

All that we do, we want to be for God's glory. Pray that in all things He might be number one! "Now to Him who can do above and beyond what we can ask or think, to Him be the glory both now and forever more. Amen!"

Summer Days at the CDC

By Cindy Parker
CDC Director

Our after schoolers are here all day for our summer camp. They have enjoyed field trips and programs here at the CDC. So far they visited the Children's Museum of SC, the North Myrtle Beach Library, Gymnastics and More, the beach, and a week long Bible School at Wampee Baptist Church. Some of the programs they enjoyed were sports yoga with Mrs. Divita and Krunch Kids with Mr. King. Their days are full of great learning experiences and we hope they will return to school with fun summer memories!

The CDC

The three and four year olds have been busy with summer crafts, learning about the summer season and water play on the playground. Our large water table provides a favorite activity outside! All the splashing, dipping, pouring, and sailing little boats make a fun day at the CDC!

Friday, June 19th, we held a drop in, doughnuts for Dad, in the multipurpose room. Many dads visited from 7:30 to 8:30 a.m. and enjoyed the morning with their child. The dads were so appreciative and it just let us know that this is a keeper on our list of parent involvement activities! Have a great summer.

Tuesdays at 7:00 p.m. **Lifeguard Suppers**

Lifeguard suppers are going well and are served Tuesdays at 7:00 p.m. through August 4. Remember our summer missionaries who will be walking the beach four days a week making contact and taking water to our lifeguards. You can do your part and take them a bottle of water and snack when you go to the beach and be sure to thank them for our beach safety.

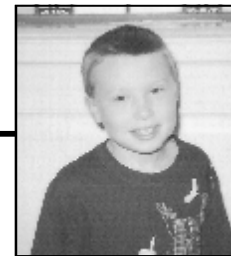

Welcome New Members!
